OVERVIEW OF CROP DEVELOPMENT DIRECTORATES

A workshop entitled “The Role of Crops Directorates in the context of new agriculture strategy” was organized at National Centre for Management of Agricultural Extension (MANAGE), Hyderabad on 18-19th April, 1989 which was chaired by the then Secretary (A&C), Ministry of Agriculture. Based on the decisions taken in the workshop keeping in view three factors i.e. “Farming Systems Approach”, “Need for Regional Role” and “Support to thrust programmes”, all the nine Commodity Directorates were restructured and re-designated as Crop Development Directorates (CDDs) retaining their original names with bi-focal responsibilities i.e. (i) for the respective specified Nodal crops for the country as a whole and (ii) for all major crops in the states assigned to each CDDs. Consequent upon re-organization of Commodity Directorates, the functions of the Crop Development Directorates were rationalized and uniform staff pattern introduced in the CDDs.

Details of Crop Development Directorates, assigned states to each CDDs and respective nodal crops as per DAC letter No. 36-8/86-CA.III dated 21st June, 1995 are as under:-

10. To prepare Status note of Agriculture situation of the assigned states.
11. To document and share the success stories of Centrally Sponsored Schemes.

Introduction of Directorate of Millets Development (DMD)

The Directorate of Millets Development, a sub-ordinate office of the Ministry of Agriculture and Farmers Welfare, Department of Agriculture, Cooperation & Farmers Welfare, Government of India came into existence on 1st March, 1971 after re-designation of the Regional Extension Unit of the Directorate of Extension, Ministry of Agriculture, Government of India at Chennai. The Office of the Directorate of Millets Development had been shifted from Chennai on 02.02.1996 and started functioning at Jaipur w.e.f. 05.02.1996.

It was established with an objective to look after the country's crop production programmes for the development of Maize and Millets. Later during 1988-89,

Government of India had launched Special Foodgrains Production Programme (SFPP) to achieve quantum jump in the agriculture production by the end of VII Plan by way of Transfer of Technologies (TOT) to farmers at massive scale with appropriate Inputs. This has redefined and concretized the role of umbrella Organizations under the Department of Agriculture & Cooperation including erstwhile Commodity Directorates.

As a consequence of re-structuring and with the introduction of Integrated Cereals Development Programme, the Directorate of Millets Development was assigned the responsibility of the Coarse cereals in the year 1995-96. The mandate crops i.e. Coarse cereals assigned to the Directorate of Millets Development are referred to as a group of the following 10 crops:-

A. MILLETS:
